PRIME LOGISTICS 

WHO WE ARE

Skilled, Dedicated, Always Ready. A U.S.-based freight forwarder with fast access to a global network of modern facilities and agents, our customers expect a first-rate experience – and we deliver.

WHAT WE DO

Customized, Shipshape Services. As a leader in third-party logistics, we customize smart solutions that meet the far-ranging requirements of various industries, utilizing all major means of transportation.

PART OF SOMETHING BIG

Trusted Link in the Supply Chain. We benefit from being part of the Prime Group, a Miami-based firm with a vast global system of coordinated cargo specialists strategically positioned at key gateways worldwide.

ABOUT US

The Prime Logistics brand of world-class service is founded on strict attention to detail, out-of-the-box thinking, and a consistent, long-term record of success.

As a trusted name in global freight forwarding, we organize comprehensive multi-staged service packages designed to move your cargo from point of origin to destination in the smoothest, most reliable, and cost-effective manner. Our experienced and friendly staff seeks every opportunity to simplify the process, cut transfer times, and manage complicated documentation efficiently and cleanly. We are also highly talented in anticipating complications to swiftly overcome logistical disruptions when, not if, they arise.

With Prime Logistics, shipping is EASY, TIMELY, AND ORGANIZED.

Prime Logistics expertly provides a wide range of shipping and logistics management solutions. Benefit from our extensive global freight forwarding experience and insider knowledge of all major industry supply chains – from the smallest electronic components to hazardous material and oversized project cargo.

By partnering with us, our clients gain access to a full range of personalized services, years of expertise, and unparalleled attention to detail. Our courteous customer service reps are standing by to connect you with the right team of qualified freight specialists to customize logistics solutions to meet your most challenging shipping needs.

SOLUTIONS

Prime Logistics offers many different types of logistics solutions. With our extensive experience, we provide high-quality services across the multiple industry supply chains. Our team is highly qualified in freight logistics, and we have specialists that can customize each solution to suit any international shipping scenario.
